VINYL

TABLE OF CONTENTS

01/ Less is More Stripped of the Unnecessary, Built for Pure Listening

02/ Minimalist Design A Modern Classic that Looks Right in Every Room

03/ HiFi Sound Experience Vinyl the Way it was Originally Cut

04/ Upgrade Potential Evolves as Your System Does

01 \ Less is More

Stripped of the Unnecessary, Built for Pure Listening

■ Rich Detail, Balanced Tone

No built-in phono stage—just clean, uncolored analog output straight from the source.

■ Simplified Circuitry

A stripped-down electrical design minimizes interference and keeps the sound free from unwanted noise.

■ Focused Design, Nothing Extra

No flashy features or redundant controls, only essential components optimized for true vinyl playback.

02\ Minimalist Design

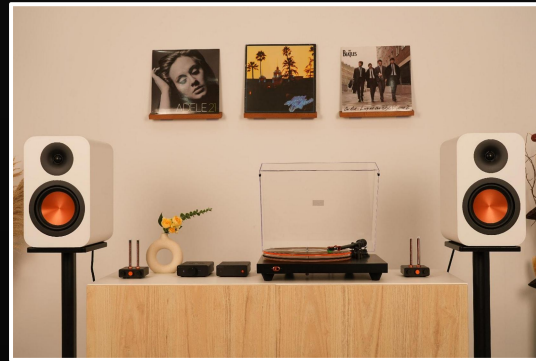

A Modern Classic that Looks Right in Every Room

■ Seamless, Unified Aesthetic

Crafted with a seamless, integrated plinth and finished in matte black, the Luna3 feels as refined as it looks.

■ Timeless Black, Effortlessly Blends In

Its all-black body fits effortlessly into any room, whether you're going for cozy, modern, or minimalist.

■ Solid Acrylic Platter & Optional Orange Mat

A heavyweight transparent platter enhances rotational stability and sound clarity. Paired with our included orange mat, it's a perfect match for colored vinyl.

■ Precision-Crafted Metal Details

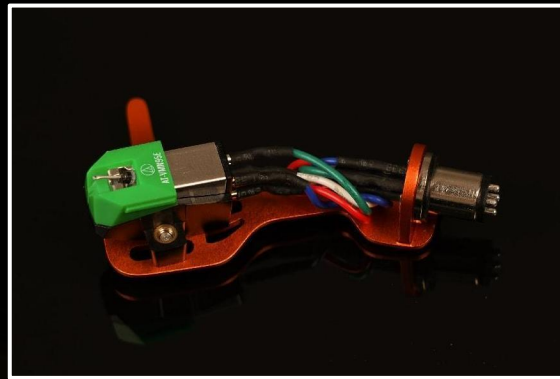

Key components like the headshell and speed switch are CNC-machined for durability and finished with Fosi's signature orange, adding both texture and character.

03\ HiFi Sound

Experience Vinyl the Way it was Originally Cut

Rich Detail, Balanced Tone

Equipped with the Audio-Technica VM95E cartridge, Luna3 delivers a full-bodied vocal presence and detailed treble. The anti-static stylus design and precisely engineered vertical tracking angle ensure clean sound with minimal noise and distortion.

Servo Motor Control for Precision Playback

A servo-driven motor system paired with a Hall sensor maintains ultra-accurate speed with just $\pm 0.11\%$ deviation, ensuring your records play at a rock-steady pace with no pitch drift.

Lightweight, Rigid Tonearm for Accurate Tracking

Enhances tracking precision with manual anti-skating adjustment. Its low-resonance design improves stability and sonic clarity across every groove.

Large Copper Motor Head for Reduced Resonance

Lowers mechanical resonance, providing a quieter background and cleaner overall sound—especially noticeable in quieter musical passages.

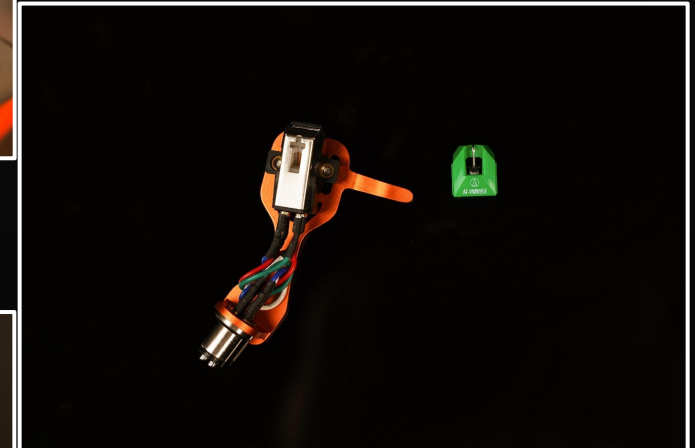

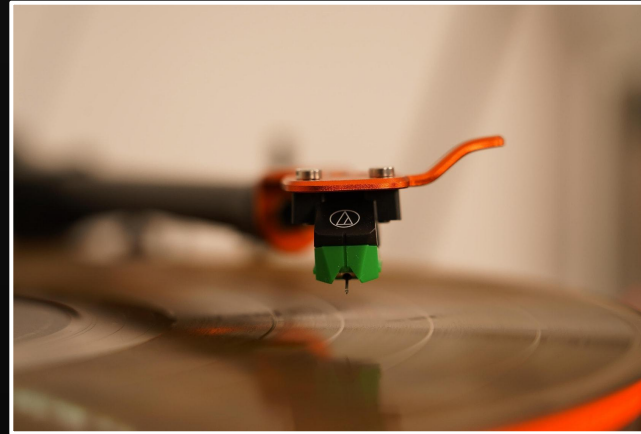

04\ Upgrade Potential

Evolves as Your System Does

■ Effortless Stylus Upgrades

The VM95E stylus can be easily removed and replaced, making it simple to explore sound possibilities without changing the entire cartridge.

■ Compatible Headshell Connection

Equipped with a standard universal mount, the headshell works with most tonearms and cartridges, giving you the flexibility to customize your system as you grow.

Specifications

Model Name	Luna3
Speed	33, 45 (electronic speed change)
Speed Variation	33: 0.1% 45: 0.1%
Wow&Flutter	33: 0.1% 45: 0.15%
Platter	300mm (acrylic)
SNR	65dB
Tonearm Length&Matreial	8.6in (aluminum)
Tonearm Diameter	12.2mm
Effective Arm Length	218.5mm
Overhang	22mm
Dimensions	420×112×330mm (W×H×D)
Weight	3.5kg
Power Consumption	5W (Max)
Power Supply	12VDC/1500mA

About Fosi Audio

Established in 2017, Fosi Audio has been committed to developing, manufacturing, and selling high-quality HiFi audio products. The brand name FOSI is shaped by four core principles:

- Foresight, thinking further ahead;
- Openness, embracing users' voices;
- Sincerity, serving you wholeheartedly;
- Innovation, upholding technical excellence. We've crafted a home and personal HiFi system—including home audio amplifiers, preamps, DACs, speakers, headphones, headphone DAC amps, etc. Fosi Audio has quickly become a rising star in the HiFi audio world, earning recognition from audiophiles globally, with a distribution network spanning over 100 countries and trusted by millions of music enthusiasts across the globe.

We believe every sound matters. With cutting-edge innovation, we make every note clear, real, and full of emotion, empowering you to “Hear the Unheard”. Driven by our mission to redefine HiFi with unmatched value, Fosi Audio continues to fuel its passion for the HiFi industry, ramp up R&D efforts, and co-create new HiFi equipment with users. We pledge to bring more amazing HiFi gear with cutting-edge technology, innovative design, and premium quality to audiophiles worldwide.
